[1] Monthly and semiannual indexes are not adjusted for seasonality.

[2] Effective in 1998, the geographic area covered by the Portland-Vancouver CPI has been expanded to include the Salem MSA. The new name for the eight county CPI index (including Clark County, WA) is Portland-Salem, OR-WA.

[3] Projections prepared by the Oregon Department of Administrative Services (March 2013).

[4] Percent change from the same month in the previous year.

[5] Percent change from the same 6-month period in the previous year.
