Job Openings Summary Report

Oregon

The Employment Service Job Openings Summary Report summarizes job orders placed with the Oregon Employment Department by employers. The job orders are input into the Employment Department's iMatchSkills system.

The report includes the following information for job openings that were active at any time during a particular 12-month period:

1) The iMatchSkills Classification code to which the job openings are best related;

2) The occupational title used in the Oregon Employment Department's iMatchSkills job matching system;

3) The number of openings in each iMatchSkills occupational category and;

4) The share of full-time and part-time (35 or fewer hours per week) job openings in each iMatchSkills occupational category.

The first six digits of the iMatchSkills Classification Code are related to Standard Occupational Classification (SOC) codes. Some SOC occupations were broken down further for purposes of job matching in iMatchSkills, however. The last two digits of the iMatchSkills Code are iMatchSkills-specific. If the last two digits are anything other than "00", this indicates that the occupations represented by the SOC were broken out for iMatchSkills purposes.

For example, 11-9199 is the SOC code for All Other Managers. In iMatchSkills, the related codes are 11-9199.01 Project Managers, and 11-9199.02 All Other Managers. If you are looking for the number of job orders for 11-9199, you need to sum those found under 11-9199.01 and 11-9199.02.

Some iMatchSkills Classification Codes with the last two digits of "00" do not directly match the corresponding SOC definition, and therefore do not match the definitional classification found in the Employment Department's employment projections, or on www.qualityinfo.org. For a list of the affected occupations, please see Appendices A and B.

These reports are produced quarterly for Oregon and its 15 Workforce Regions. They are distributed in early January, April, July and October for the previous 12-month period.

If you have questions regarding these reports, contact the Oregon Employment Department's Disabilities Representative at (503) 947-1662.
